7.

Office Subject Correspondence Files

These are files which document the activities performed by the Office of Logistics in support of Agency activities in accordance with the mission assigned in Regulation [REDACTED]. They consist of correspondence, surveys, charts, studies, and reports pertaining to logistical planning; requirements; procurement, distribution, and accountability of Agency equipment and supplies; transportation of personnel, equipment and supplies; meeting real estate and construction needs; and other support services, including Agency mail and courier service, telephone service, and printing and reproduction used in policy and operating determinations, and also in the general administration of the Office of Logistics. Filed according to Agency Subject File Manual. 1953 - 1956.

14.9

Permanent. Disposal not authorized by this schedule\*. Cut-off at the end of each calendar year; retain in current file area two years and transfer to CIA Records Center.

**\*EXCEPTION:** Files concerning administrative and housekeeping functions, such as: personnel, training, travel, space and services, budget and fiscal matters, security and other similar subjects, may where possible be segregated by groups upon retirement and may be destroyed after 3 years.

8.

Top Secret Document Files

These are Top Secret documents concerning logistical support activities for the Agency as reflected in Item No. 1. They consist of documents of Top Secret nature of subjects as described in Item No. 1. TS documents are filed centrally in the Office except as needed within the Divisions for working needs. Filed chronologically and thereunder by Top Secret Number. 1946 - 1956.

5.0

Periodically review to downgrade or destroy extra copies. Pertinent disposal item to be applied to retained documents on an individual basis, or if material is integrated with files of a lower classification for purposes of continuity, clearance will be obtained from the Area TSCO and the Area Records Officer before retirement.
